RENTAL TERMS AND CONDITIONS

- A rental agreement must be signed, and account must be established prior to pick up or delivery.
- **Rental Rates** are based on the following: 1 day is 24 hours, 1 week is 7 consecutive days, 1 month is 28 consecutive days. **Overtime charges** will apply if you use the equipment in excess of 8 hours per day, 40 hours per week, or 160 hours per month.
- Customer must insure equipment while in his possession against theft, vandalism, and physical damage. We assume no liability.
- Customer will be assessed an additional charge for fuel, if not returned with a full tank, cleaning and damage.
- Rental charges will continue on units until LF George, Inc. has been notified that the unit is ready for pickup or has been returned to our lot.
- For safety reasons, only qualified operators may use this equipment.
- Tire repair– customers responsibility.
- Rental equipment subject to availability.
- Delivery available for additional charge.
- Charges are subject to change without notice.
